

JOHN LAMONT - CARE & REPAIR MANAGER

After leaving Portree High School in 1984, John joined the Corps of Royal Electrical and Mechanical Engineers as a vehicle mechanic. During his Army career he served in a wide variety of places including Germany, Northern Ireland, Bosnia, Norway and Canada.

In his last post at Divisional Headquarters in Edinburgh John undertook the role of Senior Engineering Project Manager responsible for engineering advice to all Army units in Scotland and Northern England. Prior to leaving the Army in 2006 John graduated with a BSc (Hons) in Technology from The Open University.

John returned to the family croft on Skye with his young family in 2006 and in the same year joined Lochalsh and Skye Housing Association as a Development Officer. In 2020, John became the Association's Health and Safety Manager and in 2022 became the Association's Care & Repair Officer.
