

## **JOANNE BOULTON – Biography**

I was born and grew up in The Cotswolds in England.

My background in the main is in hospitality. I have a degree in Hotel Management and I am also a qualified NVQ assessor in management, team leading and customer services.

I have a SEN qualification and have worked in several schools in England on a 1-1 basis.

I moved to Skye in September 2023 after spending 7 years going back and forth to visit my son who lives here. We fell in love with the island and managed to get a mutual exchange and moved to Broadford.
