

Product Recall Information

To contribute towards the health and safety of our tenants and sharing owners, we would like to share details of the Whirlpool tumble dryer product recall with you.

It's estimated by the Government that the fault with these tumble dryers has caused up to 750 fires in the last 11 years.

The product recall information covers tumble dryers manufactured under the Whirlpool brands of **Hotpoint**, **Indesit**, **Creda**, **Swan** and **Proline** that were made between 2004 and 2015. If any of our tenants and sharing owners are concerned that they own such a dryer they should:

- Go to the [Whirlpool page](#) and check the model of tumble dryer
- Call **0800 151 0905** to check whether the tumble dryer needs to be replaced
- Follow this [safety checklist](#) which also includes a link to all the affected makes and models
- If your tumble dryer is affected, unplug the machine and contact Whirlpool on **0800 151 0905** to arrange a free replacement
